ANIMAL FIGURES

Duck

Fish

Snake

Seahorse

Penguin

Hippo

These animal figures automatically spray water or the children can pump up the water with our safe hand pump. We developed an unique and universal hand pump. Without risk of jamming and composed of durable materials. We can also place interactive sensors into these figures, ask us about the possibilities.

## TODDLER SLIDES

Smiley

Rainbow

Our slides are available in several themes and can be mounted at various positions. All slides can be supplied with or without water connection(s).
